Johannesburg Water

UNPLANNED MAINTENANCE

Northcliff tower zone

Pumps at the pump station of the Northcliff tower have been isolated today due to an electrical fault.

Johannesburg Water is sourcing a specialist service provider to assess the situation and resolve the issue. Pumping will resume as soon as the problem has been resolved, and thereafter water supply will be restored in affected areas.

Customers in the Northcliff tower zone will have no water supply.

Affected areas:

- Northcliff
- Northcliff extensions 1 – 3, 6 – 8, 12, 14, 15, 25, and 30 – 32
- Waterval Estate
- Waterval Estate ext. 5
- Greymont
- Valeriedene

There is no estimated time for completion at this stage. Further details on progress will be provided to customers as it becomes available.

Areas affected: Sunninghill, Gallo Manor, Edenburg, Wendywood, Waterfall, Woodmead, and parts of Morningside.

Street names: All streets.

Date: 19 March 2024

Time: 07:00 – 21:00

Impact on customers: No water

Reason for interruption: Structural assessment and Inspection on the reservoir and cleaning.

Alternative water supply: Water tankers will be provided to high-lying areas, as and when necessary.
