UNPLANNED MAINTENANCE

REGION F

Hector Norris pump station update

Repairs on the generator have been completed. However, technical challenges were experienced while opening the valve. Pumping should resume later this afternoon. Poor pressure to no water is still expected in high-lying areas of the supply zone.

Affected areas: Johannesburg CBD, Newtown, Selby, Braamfontein, and parts of Parktown.

Further details will be provided once they become available.

REGION B

Update: Central region repairs

The system improved overnight, and the team will continue to monitor it. The team is currently on site repairing the identified leaks at the corner of Judges Avenue and Republic Road.

Affected areas: Linden reservoir supply zone, Kensington B reservoir supply zone, Malanshof, President Park, Cresta, Darrenwood, Windsor, Windsor Glen, Robindale, Robinhills, Robin Acres, Randpark, Jacanlee, and Linden.

Further updates will be provided to customers.

REGION D

Meadowlands and Aeroton reservoirs

Some areas that are supplied by the Meadowlands reservoir are experiencing low pressure to no water as the reservoir is currently supplying at 50% capacity. Some parts of the supply zone may also experience low pressure.

Affected areas include:

- Dube
- Orlando West
- Meadowlands
- Mofolo North and Central

Please note that other areas supplied by the Meadowlands reservoir may also be affected.

The Aeroton reservoir is also restricted which is affecting the water supply in Diepkloof Extension.

Further details on progress will be provided to customers as it becomes available.

PLANNED MAINTENANCE

REGION F

Areas affected: Robindale Ext 1

Street names: Clive, Deli, Esmaralda, Mulbarton, Maria, Vinston, Ottawa and Pommern Streets.

Date: 27 March 2024

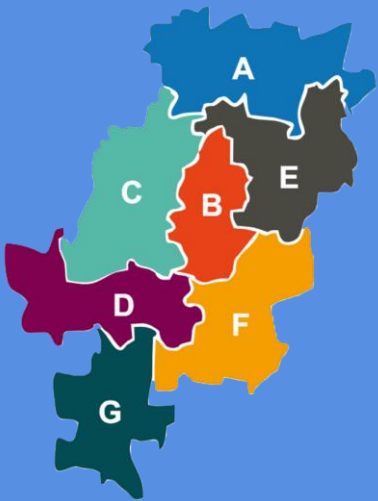

Time: 08:00 – 19:00

Impact on customers: No water

Reason for interruption: Tie-in new 110mm into existing pipe network and decommission the old pipe.

Alternative water supply: Water tankers will be provided as and when the need arises.
