Daily water supply system status updates: Monday, 15 May 2023 (Afternoon)

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst).

Unplanned interruptions

1. City Power's planned maintenance to affect Johannesburg Water's Brixton and Northcliff systems

City Power has a planned maintenance power interruption at its Hursthill Substation that will affect Johannesburg Water's Brixton and Northcliff systems. The planned maintenance is scheduled for 17 May 2023, from 09:00 to 17:00. This will impact Johannesburg Water's systems, including the Brixton tower and reservoir, as well as the Northcliff tower. According to City Power, the power interruption is necessary for the utility to complete essential maintenance work on its network.

The suburbs that will be affected include: Albertskroon, Albertville, Albertville ext 1 and 2, Auckland Park, Brixton, Coronationville, Hursthill, Greymont, Newclare, Newlands, Northcliff ext 15, 21, and 25, Rossmore, Triomf (Sophiatown), Westbury, Westbury ext 2 and 3, and Westdene. Customers in these supply areas may be affected by poor pressure to no water during the outage. Johannesburg Water will be monitoring the affected systems. Further updates will be provided to customers.
