Daily water supply system status updates: Thursday, 23 March 2023 (Afternoon)

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst).

Unplanned interruptions

1. Burst pipe at Orlando West

Please kindly note that there is a burst on a 150mm pipe in Orlando east. The team has already isolated. The estimated time of completion is 15:00.

2. Johannesburg Water Customer Notice: Bulk valves installation in Morning Hill and Bedfordpark

Johannesburg Water wishes to inform residents impacted by the planned shutdown, that work at both sites were completed earlier this morning. Valves are being operated gradually as both sites are monitored for possible leaks.

Customers in the affected areas supplied by Linksfield reservoir will have water restored during the course of the day. Customers in high lying areas may be affected by no water as the system recovers. Johannesburg Water thanks customers for their patience and understanding.

Planned interruptions
