Daily water supply system status updates: Thursday, 4 May 2023 (Morning)

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst).

Unplanned interruption

1. Update on Yeoville pump station

The technical issue at Yeoville Pump Station continues to impact water supply to parts of Braamfontein, Yeoville, Berea and Hillbrow. Customers in the pump station zone, especially in high-rise buildings, are impacted by no water.

Specialist technical service providers have been arranged for further assessment. Alternative water supply is being arranged for affected areas through mobile tankers. Further updates will be provided. Johannesburg Water apologises for the inconvenience caused.

Planned interruptions

1. Planned interruption in Yeoville Reservoir 3 zone cancelled

Please note that the planned interruption in the Yeoville Reservoir 3 zone that was scheduled to take place from Tuesday, 2 May at 17:00 until Friday, 5 May has been cancelled due to unforeseen circumstances. New dates will be communicated in due course.
