Northcliff Tower update

Johannesburg Water is aware of the water supply issues in Northcliff and surrounding areas.

There is a City Power outage in the area which began on Monday and is affecting pumping into the Northcliff tower. As a result, the suburbs within this supply zone are currently affected by poor pressure to no water.

Johannesburg Water and City Power's technical teams are in constant communication and the power utility is working on resolving the issue.

There is no estimated time for completion. However, further details will be communicated once they become available.

Affected areas: Northcliff, Greymont, Waterval Estate, Valeriedene, and possibly some surrounding suburbs.

Suburbs affected: Alexandra, Glenhazel, Kew, Bramley, Wynberg

Street names: All streets

Date: 16 April 2024

Time: 07:00 – 21:00

Impact on customers: No water

Reason for interruption: Tie-in of new 160mm pipe to existing 200mm and 250mm mainline

Alternative water supply: Further details to be provided
