## UNPLANNED MAINTENANCES

REGION F

### Burst pipe: Benrose

Water has been isolated (closed) in Benrose to conduct repairs to a burst 600mm steel pipeline.

Currently, the team has begun with excavations to expose the pipeline for preparation of the welding process that will follow afterwards.

Customers are affected by poor pressure to no water. The affected areas are Benrose, Denver, and surrounding areas.

There is no estimated time for completion.
