

DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst). **Wednesday, 22 May 2024 (Afternoon)**

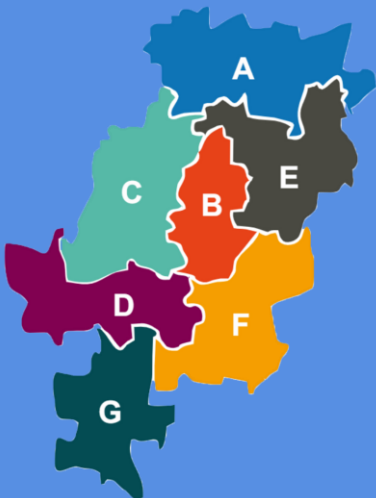

UNPLANNED MAINTENANCES

REGION E	<p>Update on Randjieslaagte Reservoir</p> <p>A Johannesburg Water team is currently on site conducting repair work. The inlet has been isolated (closed), and the team is pumping the chamber. Welding work will commence once the line is completely drained. Reservoir is currently and bypass is not active, isolated due to repairs. No water is expected in the supply zone. Further details will be provided.</p>
REGION G	<p>Orange Farm Reservoir update</p> <p>Johannesburg Water has discovered a major leak on the 300mm diameter pipe in Orange Farm Ext 2. So far, the team has stripped and exposed the pipe in preparation for repairs. The repairing of the pipe will require a special, non-standard fitting that is custom fabricated. Sourcing of necessary material required for repairs will commence today, 22 May 2024. Currently, water has been isolated (closed), and customers will have no water.</p> <p>Alternative water supply through water tankers will be provided to the affected areas. Further updates will be provided.</p>

PLANNED MAINTENANCES

REGION A	<p>Suburbs affected: Blue Hills Plots downstream water pipe</p> <p>Streets: Mimosa Road, Poplar Road, and Acacia Road</p> <p>Start date and time: 23 May 2024 09:00</p> <p>End date and time: 23 May 2024 at 18:00</p> <p>Impact on customers: No water for the duration of the maintenance work</p> <p>Reason for interruption: Commissioning of new water infrastructure</p> <p>Alternative water supply: There will be water tankers at the BP garage along the R55; as well as at corner Poplar Road and School Road</p>
