

DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst). **Monday 22 July 2024 (Morning)**

UNPLANNED MAINTENANCES

REGION B

Repairs completed at corner Viscount and Republic Road, Windsor East

Repairs to a water leak on a 711mm NB bulk pipeline were completed ahead of schedule at 21:30 on Sunday night. Water has been opened to fill up the affected systems, which include the Linden 1 Reservoir, Linden 2 Reservoir and Tower, as well as the Kensington B Reservoir and Tower.

However, it will take several hours for the system to fully recover and for residents to have stable water supply.

Affected areas: Windsor, Linden, Blairgowrie, Kelland and Kensington B.

REGION B

Suburbs affected: Ferndale, Strydom Park, Blairgowrie, Bordeaux, Moret, Randburg, Kensington B, parts of Bryanston, and surrounding areas

Streets affected: All streets

Date: 22 July 2024

Start time: 07:00

End time: Estimated time of completion will be communicated once the pipe has been exposed and material is sourced

Impact on customers: No water on above mentioned streets and poor water pressure on adjacent streets for the duration of repairs.

Reason for interruption: Repairs to burst 350mm steel pipeline

Alternative water supply: Roaming water tankers will be provided as and when necessary

REGION F

Unplanned Maintenance: Commando System

Reservoirs affected: Brixton Reservoir and Tower, Crosby Reservoir, Hursthill 1 and 2 Reservoirs

Streets affected: All streets

Date: 23 July 2024

Time: 06:00 - 18:00

Impact on customers: Poor pressure to no water supply.

Reason for interruption: Replacing the non-return valve to the Crosby Reservoir.

Alternative water supply: Further details to be provided
