

DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst). **Monday, 2 December 2024 (Afternoon)**

UNPLANNED MAINTENANCE

Suburbs affected: Protea Glen ext. 1,2,3 and 4, Protea City, Doornkop, and Green Village

Streets affected: All streets

Johannesburg Water is working on resolving water supply interruptions in Protea Glen. Technical teams have been on site throughout the weekend to establish the cause and have found malfunctioning valve. A team is in the process of repairing the valve.

The outlet of the Doornkop Reservoir has been isolated in in order to conduct the repairs.

Mobile water tankers are being provided to affected areas, and will continue to be provided until water supply is restored.

There is no estimated time for completion of the repairs.

PLANNED MAINTENANCE

Suburbs affected: Johannesburg CBD, Newtown, Selby, Jeppestown, Doornfontein, Forest Hill, Turffontein, Rosettenville, La Rochelle, and Turf Club

Streets affected: All streets

Start date and time: 6 December 2024 at 20:00

End date and time: 9 December 2024 at 20:00

Impact on customers: No water

Reason for interruption: Installation of four new isolating valves at Hector Norris Pumpstation as part of the ongoing upgrading project

Alternative water supply: Roaming water tankers will be provided

Benefit to customers: Improved service delivery and continuity of water supply
