

DAILY WATER SUPPLY SYSTEM STATUS UPDATES

Water supply status update by exception (i.e., areas affected due to supply constraint and not service interruption from occasional pipe burst).

Wednesday, 05 March 2025 (Morning)

Unplanned Maintenance

City Power outage to affect Northcliff Pump Station and Tower

Johannesburg Water's Northcliff Pump Station and Tower will be impacted by City Power's planned outage scheduled for Wednesday, 5 March 2025 from 08:30 to 16:30.

This will directly impact pumping from the Northcliff Pump Station to the tower. Johannesburg Water will be monitoring the system and will advise on any further interventions required in restoring water to customers.

Customers supplied from the Northcliff Tower will experience poor pressure to no flows during this period.

Affected areas: Northcliff; Northcliff extensions 1 – 3, 6 – 8, 12, 14, 15, 25, and 30 – 32; Waterval Estate, Waterval Estate ext. 5, Greymont, and Valeriedene.

Johannesburg Water will provide alternative water supply to the affected areas. Our teams are actively monitoring the situation to ensure that all residents have access to water during this time.

Planned Maintenances

Corner Alice Lane & West Street, Sandown

Affected areas: Sandown

Streets affected: Alice Lane, West Street, 5th Street

Start date and time: 5 March 2025 at 09:00
