DAILY WATER SUPPLY SYSTEM STATUS UPDATES

8 October 2026 (Morning)

Joburg
a world class African city

Johannesburg Water

Unplanned Maintenance

Region F

COMPLETED.

UPDATE (7 Oct 2026): Estimated time for completion of repairs is 19:00. However, it will take several hours for the system to recover and water to be fully restored.

Affected areas: Bezuidenhout Valley

Streets affected: Corners 10th Avenue and Albertina Sisulu Street, 11th and 8th Avenues, 10th and 7th Avenues, as well as 11th and 9th Avenues.

Date: 7 October 2026

Time: Water has been isolated (closed). Repairs will begin once water has been completely drained from the system.

Reason for interruption: Burst pipe repairs

Impact on customers: No water

Benefit to customers: Improved water services, continuity of water supply, and safety to customers

Alternative water supply: To be arranged as and when the need arises
